Do you have a substance abuse or mental health problem? If your answer is Yes and you have been charged with a criminal offense or violation of probation, then you may be eligible for the 31<sup>st</sup> Judicial District Adult Recovery Court Program. The Adult Recovery Court Program is designed to assist those with substance abuse problems and/or mental health issues, to regain his/her life by participating in treatment, educational programs, support groups, etc. and to develop a productive citizen for the benefit of the participant and the community, by allowing the participant to avoid a long term jail sentence for punishment for his/her crime.

**YOU MAY BE ELIGIBLE IF: (Must be 18 years of age)**

1. Must meet statutory requirements for suspended sentences. Have a B felony or less offense / charge.
2. Must have a substance abuse addiction or mental health issue.
3. Must be a resident of Warren or Van Buren counties
4. Must be willing and able to participate in an 18 month (minimum) drug treatment rehabilitation program and aftercare as directed by the Court: including regular random urine screens

**If you think you are eligible, you will need to read the attached brochure and also fill out the attached application and return immediately to the Adult Recovery Court Director.** A criminal history and background check will be performed to verify you have no prior violent criminal history. The District Attorney makes the final decision to any applicants to Adult Recovery Court. If the criminal background check shows you have no prior record that would exclude you from participation, you will be set up for an Alcohol and Drug Abuse Assessment and A.S.I. (Addiction Severity Index 5<sup>th</sup> Edition) with Cheer Mental Health. The Adult Recovery Court Team, which consists of the District Attorney, Public Defender, Director, Compliance Manager, Probation Officer, Treatment Provider, Police Liaisons from the City and County Departments, and the Adult Recovery Court Judge, will meet and make a decision based on information collected from you. The District Attorney can veto any decision made by the team but the ultimate decision will be made by the Adult Recovery Court Judge. If you are accepted into the Adult Recovery Court Program, the Director will inform you and your attorney. You will attend the next scheduled Circuit Court and will enter your plea. At this time appointments will be made with the treatment provider and compliance manager. Your attorney will no longer represent you unless the Adult Recovery Court Judge is considering revoking you from the program. If you are denied from participation in the program, the Director will notify you and your attorney. If you **successfully** complete the program, you will receive a suspended jail sentence and have the tools needed to lead a Drug Free lifestyle.

If you are **unsuccessful** to comply with the Program guidelines a violation of probation hearing will be scheduled and sentencing would be imposed as set out in the plea agreement.
